

Game Play:

Do you have what it takes to be the best shot? Quick Shot is an action packed video target shooting game where players test their reflexes across different levels. Players advance through different stages where they shoot bottles, cans, targets, and more. The faster and more accurate aim a player has, the more points and tickets that are awarded.

- Attractive cabinet with 50" Screen and bright LED's
- Multiple Levels with realistic recoil feature
- Single and Multiplayer Options
- Link up to four units for more competitive play
